The Parish of the Resurrection was formed in 2010 from the former parishes of St Lawrence Alton, All Saints Alton, and Holy Rood Holybourne. The parish is also in covenant with Alton Methodist Church as part of the Greater Alton Project (GAP). The GAP partnership celebrated its 10th anniversary in November 2019.

The Parochial Church Council (PCC) is a corporate body established by the Church of England. The appointment of PCC members is governed by the procedures set out in the Church Representation Rules.

The PCC met regularly throughout the year and considered all issues for which it had a responsibility in law or where it had been given responsibility through the Church of England. The PCC is supported in its work by various committees supplemented by specific task groups as required. The main ones are:

- Local Church Groups for St Lawrence, St Peter's, All Saints and Holy Rood

**Independent Examiner's Report to the Trustees of Parochial Church Council Of The Parish Of The Resurrection, Alton**  
**For The Year Ended 31 December 2025**

---

I report to the trustees on my examination of the accounts of Parochial Church Council Of The Parish Of The Resurrection, Alton (the Trust) for the year ended 31 December 2025.

**Responsibilities and Basis of Report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's Statement**

Since the Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

---

**1. General Information**

Parochial Church Council Of The Parish Of The Resurrection, Alton is an unincorporated charity registered with the Charity Commission, registered charity number 1132545 . The principal address is .

**2. Statement of Compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102) and the Charities Act 2011.

These financial statements have also been prepared in accordance with Church of England guidance entitled PCC Accountability: The Charities Act 2011 and the PCC, including the Church Accounting Regulations 2006 prescribed by the Business Committee of the General Synod

**3. Accounting Policies**

**3.1. Basis of Preparation of Financial Statements**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity is a Public Benefit Entity as defined by FRS 102.

**3.2. Going Concern Disclosure**

The trustees have not identified any material uncertainties related to events or conditions that may cast significant doubt about the charity's ability to continue as a going concern.

**3.3. Fund Accounting**

Unrestricted or general funds represent the funds of the Parochial Church Council (PCC) that are not subject to any restrictions regarding their use and are available for use at the discretion of the trustees for general purposes of the PCC.

Designated funds are unrestricted funds earmarked by the trustees for a particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible by law. They do not include the accounts of such groups that owe their main affiliation to another body nor those that are informal gatherings of church members.

**3.4. Incoming Resources**

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from collections is recognised when received.
- Planned giving receivable under Gift Aid is recognised when received. Income Tax recoverable on Gift Aid donations is recognised when the related income is recognised.
- Grants and legacies to the PCC are recognised when the PCC is notified of its legal entitlement and the amount due and its ultimate receipt by the PCC are reasonably certain.
- Income from church hall lettings is recognised when the rental is due.
- Dividends are recognised when they become due and payable. Interest income is recognised when it is due and is accrued accordingly.

**Notes to the Financial Statements (continued)**  
**For The Year Ended 31 December 2025**

---

### **3.5. Resources Expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.
- Expenses in respect of grants are recognised at the earlier of when the grant is paid or when there is a binding obligation on the PCC to make a grant and it can be valued with reasonable certainty.
- the Common Mission Fund contributions are charged as an expense when payable.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### **3.6. Tangible Fixed Assets and Depreciation**

Consecrated land and benefice property is excluded from these financial statements under the terms of the Charities Act 2011.

No value is placed on moveable church furnishings held by the churchwardens on special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All expenditure incurred during the year on consecrated or beneficial property and moveable church furnishings, whether maintenance or improvement, is written off as expenditure when incurred.

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The capitalisation threshold is £1,000.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold	5% Straight line
Fixtures & Fittings	10% Straight line
Computer Equipment	20% Straight line

### **3.7. Investments**

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

### **3.8. Stocks and Work in Progress**

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

**Parochial Church Council Of The Parish Of The Resurrection, Alton**  
**Notes to the Financial Statements (continued)**  
**For The Year Ended 31 December 2025**

**3.9. Cash and Cash Equivalents**

Cash and cash equivalents are basic financial assets and include cash in hand and deposits held at call with banks, other short-term highly liquid investments that mature in no more than three months from the date of acquisition and are readily convertible to a known amount of cash with insignificant risk of change in value, and bank overdrafts.

**3.10. Financial Instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**16. Funds Received As Agent**

**Alton Deanery Fund**

Holds the contributions of local churches to the Deanery and pays out its expenses. This fund is controlled by Mrs Elspeth Mary Mackeggie Gurney, Deanery Synod Member.

**Epoulbass Foundation UK**

Epoulbass Foundation UK-Cameroon was founded by one of our worshipers, Fabienne Enongene, in 2014 after the death of her sister, who had devoted her life to helping young girls and vulnerable women escape from abusive marriages and relationships in the Eastern Region of Cameroon. She wanted to continue the work started by her sister Tata in her home village of Kanda in east Cameroon.

Tata set up a sewing workshop there in 2009 for the girls in the village to give them a means of earning a living. You can read more about this on our website:

Events: Dinner Dance in aid of Epoulbass Foundation UK

The funds held are small and to help Fabienne, POTR holds these on her behalf. Historically, these monies have been held as a 'Creditor' balance in the accounts. In 2020 we placed them in a separately identifiable fund.
